

ELEVATE®
ACCOUNTING & AUDITING

About Us

Elevate Accounting & Auditing -An ISO 9001:2015 certified reputed firm in UAE, started the business in the field of Auditing, Management Consultancy, and Company Formation in 2013. Being born in the emerging Business capital of the world, we have gained popularity among the growing business sector ranging from small and medium-sized companies to multinational corporations. Headquartered in Dubai, we have a global presence across India, UK, & US. With an industry experience of 10 years, our partners have a combined experience of more than 30 years. For a long time, we have been analyzing the problems that new business owners normally face. People with limited knowledge of accounting and compliance often hesitate to step in and start the business of their dreams. At Elevate, we have now solutions to those bottlenecks or second thoughts you have about kick-starting your business.

We are available across the globe to help reach out to all potential entrepreneurs and existing business owners with our auditing, accounting, and IT services. So far, we have helped many clients across the globe from various industries to run businesses that are legally compliant and have digital visibility among their respective target audiences. Elevate Accounting & Auditing is 100% homegrown. A company that was established in Dubai, and later spread to other parts of the UAE. This means we understand the UAE market conditions and nuances in a better way. The majority of the people who work for us also have lived in the UAE and GCC their whole lives, and are familiar with the intricacies of the local business environment.

Our proficient team of qualified professionals will assist you to start your company right from the scratch. Whether you want to register a firm, sort out your accounting needs, understand the taxes or want to liquidate your company, we can be your one-stop solution! Timely completion of services with a quality-oriented attitude and customer-centric approach equates the firm as proficient in the field of Auditing, Accounting, Company Formation, Liquidation, VAT Consultation, Corporate Tax & Other compliances in the UAE.

Starting from company formation to liquidation: Elevate is a One-Stop Solution for all of your business needs

Our Services

At Elevate Group, we foster long-term relations with our clients; we consider them to be part of the Elevate Group family. Even after the completion of the assignment, our experts are available 365 days a year to offer technical advice to our clients whenever they need it - Now that's something you don't see everywhere! Over the years we have served a large number of businesses from diverse industries like Petroleum, Healthcare, Food Supply, IT, Business Consultancy, Real Estate, Logistics, Manufacturing & Trading, and Restaurants.

Our wide range of services includes Internal Audit, External Audit Statutory Audit, Inventory Stock Audit, Fraud Investigation, Statutory Compliance, Revenue Audit/Sales Report, Due Diligence, all types of outsourced accounting services, all relevant compliance services as well as In Country Value Certification (ICV).

1. Audit & Assurance

We are approved auditors by all major banks in the UAE as well as by all major free zones. Over the period we have audited more than 2000 companies in the mainland and free zones. Our audit procedures align with the best practices accepted in the industry and adhere to the international standards of accounting and auditing. Starting from Initial planning to execution and then issuing the final reports, our team ensures that all the requirements as per International Financial Reporting Standards (IFRSs), International Standards on Auditing (ISAs), and relevant legal frameworks are properly complied with.

We are approved auditors in the following free zones:

2. Accounting, Book-keeping & CFO Services

Our outsourced accounting & book-keeping services are one of the finest in the market. The end-to-end package we provide ensures that our customers never need to bother hiring an in-house accountant. Our team of expert accountants takes care of all the functions including data entry, report generation, preparing customized management reports, preparing VAT reports & filings, and ensuring that the books of accounts are kept up-to-date and compliant with all applicable tax and related laws. Our clientele ranges from restaurants to large MNCs.

3. Tax & Compliance Services

Every business ranging from SMEs to Fortune 500 companies needs to adhere to certain laws and regulations to run the company. This task has become all the more difficult these days because of the ever-evolving compliance framework. Our technical team who keeps up with the latest developments in all legal and regulatory aspects ensures our clients are compliant with the laws of the land and are not penalized for any ignorance. All VAT-related services, ESR, UBO, AML-CFT, TRC, Excise Tax, and ICV Certification are some of the major areas we serve. We are also now closely synchronizing with the Ministry of Finance on how to prepare for the upcoming corporate tax in the UAE.

4. Digital Services

As we are the business of Auditing & Business Services for the last 10 years we realized the importance of the rich digital presence of any company. Gradually we developed our team to work with our clients to boost their web presence. As a result, many of our clients are successful in their businesses. We help businesses to have a

Attractive & User-Friendly website that should represent the brand and also help to generate the lead & conversion for the business.

Android/iOS Mobile Application for smooth & easy interaction with users or customers.

Migrate the outdated website to a new attractive layout with a faster loading website.

Amazing visibility on Google using SEO (Search Engine Optimization) Techniques.

More New and Return User interaction on a website using SEO Techniques.

More new and existing user engagement on business using Social Media Marketing or Optimization Techniques.

Lead & Conversion for the business using Paid Adverts like Google Ads, Facebook & Instagram Ads, etc...

5. Other Services

The PRO services UAE includes a wide range of services. Some of them are employee-focused, while others are solely concerned with the creation and management of businesses. There are various legal processes that must be completed with the relevant licensing authority in order to register and incorporate a company. Our skilled advisers offer high-standard PRO services in UAE to quicken the process. By managing a wide range of documentation clearing, we assist you at every stage from the beginning to the successful running of your business. To make your PRO activities simple, our experts collaborate closely with the UAE government and ministry officials.
